SURETY BOND REQUIREMENTS

Louisiana Auctioneer and Auction Business licensees

The Louisiana Auctioneers Licensing Board laws require every licensee to maintain a surety bond on file, payable to the Louisiana Auctioneers Licensing Board.

AUCTIONEER BONDS	$10,000, issued in the name of the individual licensee.
AUCTION BUSINESS BONDS	$25,000, issued in the name of the business (effective January 1, 2025).

All bonds must run concurrently with the licensing period and display a clear expiration date of December 31 of the applicable year. Multi-year bonds are acceptable, provided they comply with the December 31 expiration requirement.

IMPORTANT: If a bond is cancelled for any reason, written notice must be submitted to the Board.
